

## Corporate Profile

ITW Buildex is one of the worlds leading manufacturers and suppliers of self-drilling screws and fasteners.

Established in Australia since 1917, the ITW Buildex head office is based in Melbourne Victoria, with an on-site manufacturing plant producing hundreds of millions of self-drilling screws annually, from roll-forming to threading, alloy plating to head painting, including stainless steel fasteners.

ITW Buildex is part of the world-wide Illinois Tool Works (ITW) group, who design and manufacture fasteners and components, equipment and consumable systems and a variety of specialty products and equipment for customers around the world. Illinois Tool Works (ITW) has over 820 decentralised businesses in 52 countries, employing approx. 60,000 people world-wide.

ITW Buildex has sales, warehousing, technical service and despatch facilities across Australia and exports to 18 countries throughout Asia, Africa, Europe and the Pacific.

***ITW Buildex is pleased to announce the opening of an office and warehouse facility in Dubai to service the Middle East and Indian sub-continent.***

ITW Buildex is committed to being the leading manufacturer and marketer of construction fastener solutions based on:

- Innovative Fasteners,
- Outstanding Quality,
- Uncompromising Customer Service

- **Buildex** Fasteners are made to exacting high standards of quality and are subjected to strict inspection and testing procedures.
- **Buildex** Fasteners are available in a choice of finishes that comply with both Australian (AS3566) and International standards, to provide maximum endurance over a wide range of climatic and environmental conditions.
- For every type of application, **Buildex** has the appropriate fastener solution. All **Buildex** fasteners are designed to do their particular job more efficiently and effectively than conventional fasteners. When you are using **Buildex** Fasteners you are using the most modern fastener available.
- **Buildex** is Australian quality endorsed to ISO9001 and committed to developing modern, innovative products with constant research and development.  
**Buildex** is the pacesetter in the design and manufacture of fasteners for the building industry.
- National Call Centre is manned by experts who can assist with all product & technical enquires and sales support.
